

FCSal: Salamander Saturday Coordinator

The Foundation for the Conservation of Salamanders is seeking a self-motivated volunteer to help coordinate and implement Salamander Saturday! We are seeking an applicant who is interested in serving in this capacity for the next 3 years (ASAP-May 2025).

Salamander Saturday is an FCSal initiative that encourages organizations around the world to unite in efforts to raise awareness about salamanders, their habitats, and conservation. It is held on the first Saturday of May each year. See <https://www.fcsal.org/salamander-saturday> for more information.

This position will work with the other FCSal board members to:

- Facilitate Salamander Saturday events at Zoos, Aquariums, Nature Centers, Museums, Education Facilities, etc.
- Provide educational materials and supplies as needed
- Document events
- Promote events
- Document event outcomes
- Share information about events and outcomes widely on the website and social media
- Maintain a contact list of participating facilities
- Develop content for distribution and use among interested institutions
- Attend board meetings
- Communicate regularly with the FCSal President
