

## **FCSal: Outreach Coordinator**

The Foundation for the Conservation of Salamanders (FCSal) is seeking a self-motivated, salamander-loving volunteer to join the team as our Outreach Coordinator! We are seeking an applicant who is interested in serving in this capacity for at least a year.

FCSal is the only organization solely dedicated to salamander conservation.

Our mission is two-fold:

1. To generate funds for salamander conservation, education, and research initiatives, and to support these projects through an annual grant program.
2. To increase awareness about salamander diversity, biology, and conservation, and disseminate information about the threats to salamanders and their habitats.

In support of goal #2, we seek to broaden our outreach, engaging a larger audience and enhancing our educational initiatives to spread knowledge of salamander biology and conservation further. One of our main initiatives is Salamander Saturday, an annual celebration that encourages organizations around the world to unite in efforts to raise awareness about salamanders, their habitats, and conservation. See <https://www.fcsal.org/salamander-saturday> for more information.
